Description

Part-time lecturer in probabilistic engineering mechanics, Ecole Supérieure ... Co-organizer of the JCSS Workshop on semi-probabilistic finite element .. Finis) • International Journal of Fatigue • Journal of Computational Physics • Journal of .. NucPerf 2006 "Corrosion and long term performance of concrete in NPP and.

Corrosion and long term performance of concrete in NPP and waste facilities-The international Workshop NUCPERF 2006-Journal de physique-Volume 136.

Long term corrosion behaviour of reinforced concrete structures in chloride . Physical Journal, Journal de Physique IV, Vol 136, pp.63-70, (2006) .. International Workshop "NUCPERF 2006, Corrosion and Long Term Performance of Concrete in. NPP and Waste Facilities" (EFC Event 284), Cadarache (France), mars-06

Refereed Journal papers . polynomial chaos expansions and stochastic time warping. .. corrosion. J. Physique IV, 136, pp. 243–256. V. L'Hostis, F. Foct and D. Féron, Eds. .. In International Symposium on Big Data and Predictive Computa- ... NucPerf 2006 "Corrosion and long term performance of concrete in NPP and.

Journal de physique Volume 136 Corrosion and long term performance of concrete in NPP and waste facilities The international Workshop NUCPERF 2006 (?).

Journal de physique Volume 136. Corrosion and long term performance of concrete in NPP and waste facilities. The international Workshop NUCPERF 2006.

Journal de physique Volume 136 Corrosion and long term performance of concrete in NPP and waste facilities. The international Workshop NUCPERF 2006.

Journal de physique Volume 136. Corrosion and long term performance of concrete in NPP and waste facilities. The international Workshop NUCPERF 2006.

136/ (2006) ACL 3 Bégué P., Lorente S. Migration versus Diffusion through Porous Media: . in chloride environment The European Physical Journal, Journal de Physique IV, Vol 136, pp , (2006) ACL .. Workshop NUCPERF 2006, Corrosion and Long Term Performance of Concrete in NPP and Waste Facilities" (EFC Event.
